

# Introducing Smarter Home Insurance

We've partnered with Hippo to bring you "smarter" home insurance. Get the coverage you expect, plus added layers of protection. For less!

## More Protection

By integrating **smart home sensors** you get real-time alerts about potential risks in your home.

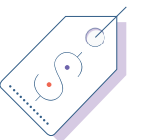

- 5 sensor home monitoring kit included with every policy
- Sensors check for smoke/CO alarms, door/window activity, water leaks and more
- Helps prevent little things from becoming big problems

## More Coverage

Get an additional layer of coverage with **Equipment Breakdown Protection**.

- Provides repair and replacement coverage for your home systems
- Covers HVAC, water heaters, major appliances, electronics and more
- Helps avoid unexpected repair bills

## More Savings

**Special discounts** for Comcast Employees with Xfinity service.

- Save **up to 25%** on your premiums
- Extra discounts for having home safety sensors deployed
